

# One Source Insurance Agency

## Insurance and Financial Services

**CERTIFIED  
PROFESSIONAL  
INSURANCE  
AGENT**

At One Source Insurance Agency we represent multitude of insurance companies and research with these firms to find consumers the best combination of price, coverage and service.

In our agency we are consumer's consultant, working to determine the consumer's needs and offers consumers a choice of insurance plans and programs.

| Personal Lines                                                                                                              | Financial                                                                                                                                   | Commercial                                                                                                                                                               |

**The following statement is same advantage of using an independent agency like One Source Insurance Agency,**

- Provides excellent service and competitive prices because we have access to insurance coverage from more than one company.
- Policyholders do not need to change agencies as customers insurance and service needs change.
- Assists policyholders when they have claims.
- Is a value hunter who looks after the consumer's pocketbook in finding the best combination of price, coverage and service.
- Offers one-stop shopping for a full range of products - home, renters, auto, business, life, health, and annuities.
- Can periodically review a policyholder's coverage to keep up with changing insurance needs. Treats policyholders like a person, not just another number.
